

Frank W. Winne & Son, Inc.
 Baler Twine, Baling Wire, Hay Tarps, Net Wrap

10

- Sisal
- Binder
- Round Poly
- Square Poly
- Big Square
- Bale Wrap
- Net Wrap
- Hay Tarps
- Bags
- End Caps
- Sheets
- Tubes
- Wire

APPLICATIONS

For use on the first and last bales during "in line" wrapping (bags manually applied)

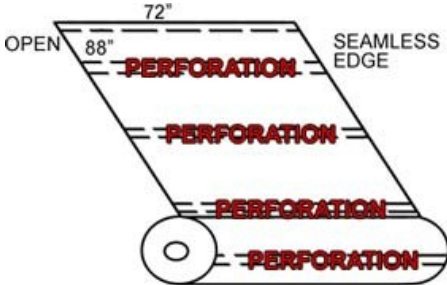

FEATURES

- * 4 MIL
- * PE
- *WHITE (BOTH SIDES)
- * UV STABILIZED
- * 1 ROLL/BOX

SALES FEATURES

Competition Packs 20 Bags/Roll Whereas when bigger bales are involved, farmers need fewer bags, so for 96" & 110" our bags/roll decreases.

ITEM DESCRIPTION

From diagram at left you can see that this is nothing more than a flat bag which is open (the business end) at End, 2 sides along length perforated and closed. End is seamless.

$$(LBS/ROLL = .00000066666 \times G \times W'' \times L'' \times BAGS/ROLL)$$

ITEM #	APPLICATION	WIDTH (OPENING)	LENGTH	BAGS (CAPS) PER ROLL	LBS PER ROLL	PRICE PER ROLL
89537	4' BALES	88"	72"	20	20	\$
	?	93"	72"	93" not available—competition Offers but 96" is a better fit Between 88" & 110"		\$
89933	4.5' BALES	96"	72"	18	34	\$
89617	5' BALES	110"	72"	16	34	\$
89931*	4' BALES	88"	120"	12	34	\$

* 89931: is intended for use by farmers in doing manual single base silage. The extra length permits closure at both ends of the bale
